Questions & Answers:

Q. Is Joshua Tree Private School on line Director of Staff Development course for nurses approved by the California Board of Registered Nursing?

A. Yes! Joshua Tree Private School is a continuing education provider approved by the California Board of Registered Nursing provider number 15948 for 24 contact hours.

Q. What qualifications does a licensed nurse in California must meet to become a Director of Staff Development or instructor?

A. Section 71829 from title 22 in the California Code of Regulations states that (d) The nursing facility, agency or public educational institution is responsible for assuring that the Director of Staff Development or Instructor who teaches the certification training program meets either of the following qualification requirements:

- One year of experience as a licensed nurse providing direct patient care in a long term care facility in addition to one year of experience planning, implementing, and evaluating educational programs in nursing; or
- Two years of full time experience as a licensed nurse, at least one year of which must be in the provision of direct patient care in a nursing facility. Within six months of employment and prior to teaching a certification program, the Director of Staff Development or Instructor shall obtain a minimum of twenty-four (24) hours of

continuing education courses in planning, implementing and evaluation educational programs in nursing. These must either be courses approved by the Board of Registered Nursing or courses administered by an accredited educational institution. A transcript of successfully completed courses shall be sent to the Department and shall be used as a basis for approval of the qualifications of the Director of Staff Development or Instructor. A copy of the transcript shall be kept on file at the nursing facility, agency or public educational institution.

Q. In what settings can a nurse who meets the above requirements teach nursing assistant training programs in?

A. Skilled nursing facilities, Adult Education, Regional Occupational Training (ROP), Job Corps, Vocational Schools, Community Colleges, etc.

Q. What is the minimum amount of time that a participant can complete the course in?

A. 24 hours

Q. What is the maximum amount of time that a participant can complete this course in?

A. 30 days from the date payment is made.

How the Course Works:

This course has a time limit of 30 days from the date of purchase.

If you don't complete the course in 30 days and would like to continue with the course, then you have the option to pay \$50 for a 30-day extension.

How we evaluate the course:

Course exam is on line with cutting edge technology, open book, multiple choice questions, automatically graded with instant access to download and print your DSD Certificate

The amount of time designated for the course:
